

VISIT IN POLAND

Comenius / Eco-friends / Mars 2012

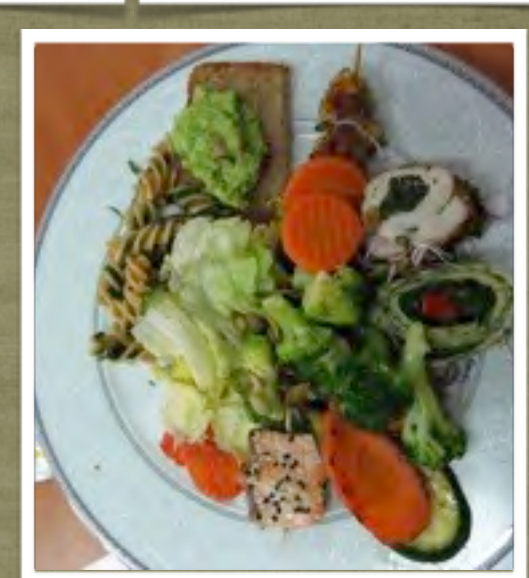

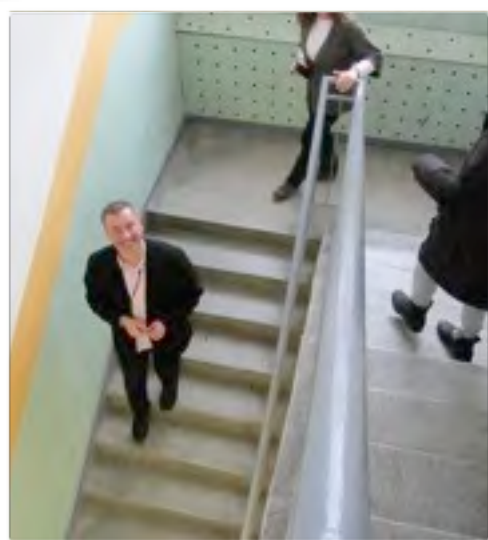

After a great flight through Europe, we finally arrived. We filled our pockets with Polish money and made us ready to see our friends again. At Tuesday morning, after breakfast all together on, we left the school under the direction of Marchin.

TOUR OF WROCLAW

We saw the dwarfs that was hidden all over the town and the "lovebridge" where the loving couple put a lock and threw the key in the water.

A VISIT IN SZKLARSKA - POREBA

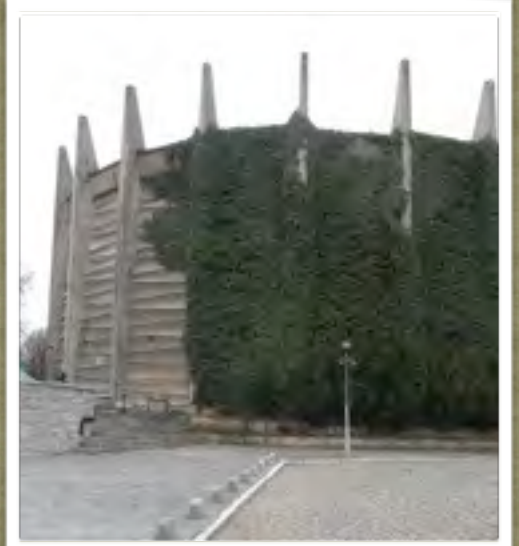

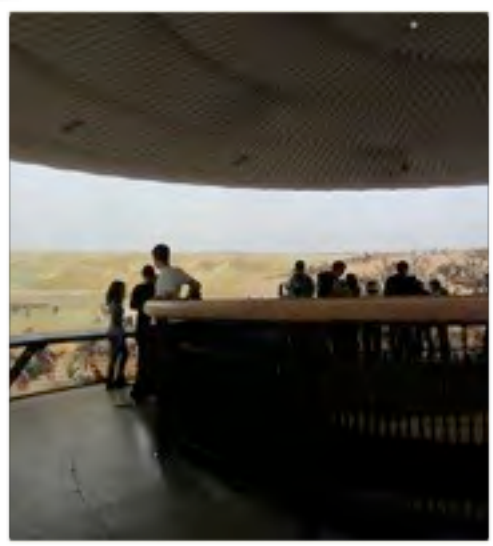

A full day trip to the mountains and the forest. We also made a trip to "Ceskà republica" there we could play in the snow!!

FOOD CULTURE

An important part of a countrys traditions

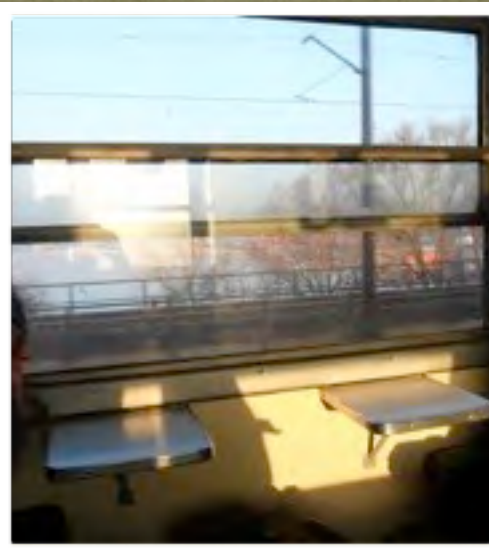

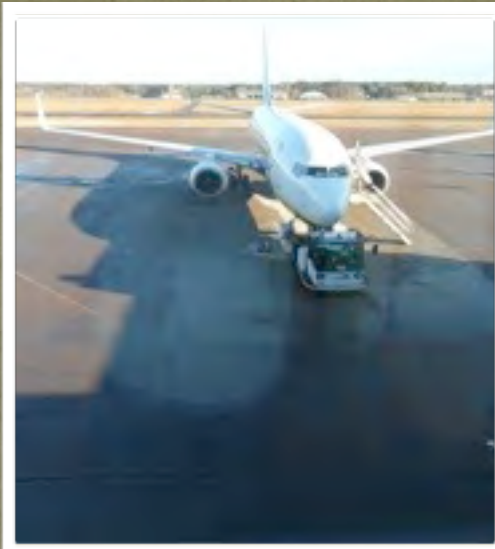

Panorama of the battle of Raclawice.

We saw the fantastic panoramapainting that was saved from before the war.

In school we made a roundtrip and joined an artlesson. The teacher wanted us to be there every day because the children were really wellbehaved during our visit 😊

LAST EVENING TOGETHER IN POLAND

With folksongs typical of our countries and celebrating Karens birthday, we said goodbye to each other. Thank you Poland! We have had a great time with lots of impressions and good experiences to take home with us. See you in Greece.
